

Northeast Iowa Montessori School (NEIM) Scholarship Policy and Application

It is the intent of the Northeast Iowa Montessori School Board to allocate funds to be used for NEIM tuition scholarships, contingent upon funding availability. The purpose of the scholarship is to provide a positive Montessori experience for children whose family cannot afford full NEIM tuition fees.

Scholarship Funding Parameters:

Scholarship funds will be distributed throughout the academic year to eligible families after review by the NEIM Board. Funds awarded must be used to provide school tuition assistance for NEIM from families with incomes at or below 185% of the poverty level based on the most recent federal guidelines released, see below for current FPL's.

GROUP SIZE	Annual 185% FLP – WIC Threshold
2	\$31,894
3	\$40,182
4	\$48,470
5	\$56,758
6	\$65,046
7	\$73,334
8	\$81,622

Explanation of what a FPL is:

The Federal Poverty Level is a measurement that describes the minimum income a person needs in order to pay for bare living essentials. Federal poverty guidelines are used to determine eligibility for assistance programs. There are caps put in place on the income a person can receive in order to qualify, and often express these limits as a percentage of the Federal Poverty Level.

Scholarship Agreement Period:

Families are able to apply for a scholarship at any time throughout the school year. Depending on the funding availability the NEIM Board will determine the scholarship amount and communicate that to the awarded family.

We encourage you to complete the scholarship application and return it to the Head of School.

Thank you!
